WHY STUDENT ACTIVITIES?

Student activities are part of who we are at Ursuline Academy. They foster connection and bring our mission to life by nurturing the soul, intellect, heart, and imagination!

Some of the many benefits of getting involved in high school, whether through student activities, campus ministry, service, the arts, or athletics include:

- building community
- creative outlet, stress relief, stress management
- networking
- college admissions and letters of recommendation
- fun!

Student Life

Our clubs, organizations, and initiatives are student led and student initiated, reflecting Ursuline's commitment to a community that is shaped by our students' passions and interests.
